Golf Shop Chatter by Damon Solle

I hope everyone is having a great summer and have been able to get out and enjoy the golf course. The fairways and greens are in really great condition. Some fairway areas have been sodded and back nine bunker renovation is getting ready to begin.

We will be open on Monday July 5 for regular play so be sure and call for your tee times.

Twilight golf is going strong with an average of 40 players every Thursday evening. Find a partner and call the golf shop to sign up. It's only \$5 per player to play.

Congratulations to Trevor Garbe for his hole in one on #13 last month. His group was playing through another and knocked it in the hole in front of a crowd. Way to put on a show!!!

Congratulations to all the winners in the 2010 NorthShore C.C. Member Guest. It was a great event, and how about the Steak & Shrimp dinner after the final round....Wow!

Pool Hours and Rules

The Pool hours have been adjusted as follows:

Monday—Pool Closed.

Tuesday-Sunday Open Swim 10 AM—7:30 PM.

Lap Swim 7:30 PM– 8:30 PM (Adults only).

The pool is closed all other times. Please help us follow these hours and provide a safe, secure environment for the enjoyment of all members.

GENERAL RULES:

- *No outside Food or Drinks can be brought onto Club property. You will be asked to remove any items brought in. Please support the services we have available for all members.
- *No glass containers in the pool area.
- *No smoking or tobacco products in the pool area.
- *No running in the pool area.
- *No inappropriate swimwear or inappropriate personal conduct.
- *Obey the lifeguards at all times for safety and security.
- *Members only in the pool area. Please check in before use.

Tidbits and Other Information

Kid's Summer Camps

There is still time to get your children enrolled in one of our Summer Camps. Tennis, Golf, Soccer, Swimming and more! Call the Tennis Shop at 643-6057 for more information or to sign up today!

New Fleet of Golf Carts Arriving in July!

Look for our replacement fleet of golf carts in July! E-Z-Go has done a great job of helping us through with the loaner carts and getting a deal done on the new carts.

Golf Course Projects

Several bare areas on the golf course have been repaired with new turf. Look for these improvements during your next round of golf. Also, "in house" bunker renovation work has begun and will continue over the next 5-6 weeks. Contaminated sand is being removed, drains repaired and cleaned out, and new sand placed in the bunkers. Conditions on the golf course will continue to improve as the irrigation system has been running full tilt, the rain is helping, and the fertigation system is now running so we can mix liquid fertilizer in the irrigation system. All of these projects and changes should result in better conditions for our members and guests. We have already noticed some improvements.
